DETAILED ITINERARY

About Pilanesberg National Park Safari

- Pilanesberg National Park is located in the Northwest province just 2 hours away from Johannesburg and situated in the ecologically rich transition zone between the Kalahari and Lowveld.
- This Malaria free National Park is home to the Big and is the fourth largest National Park in South Africa.
- The Mankwe Dam River is the perfect spot for the viewing of the most beautiful scenery in the Pilanesberg National Park and will be part of your safari.
- Besides the Big 5 they are also various other wild animals such as waterbucks, wildebeests, zebra and impala just to mention a few.
- Besides the mammal's bird life is also in abundance at the Pilanesberg and you will be able to spot various creatures. A bird hide is also available for an up close and personal view.
- Fauna and Flora are in abundance for those who love nature and spotting the rarest of flowers at the Pilanesberg National Park.
- After lunch we make our way back into the Pilanesberg National Park for one last safari experience before heading out. Here we will get to see all the animals we didn't see or perhaps spot new creatures.
