About Chapmans Peak

- The most beautiful drive in Cape Town, similar to Amalfi Coast drive in Italy or the Pacific Highway 101 in California. We will stop here for a bit of course for some picture moments before moving on to our next stop.

About Simons Town

- Explore Simons Town in Cape Town for some coastal surprises. Simons Town is home to the Naval Base Simon's Town, the South African Navy's largest base. While here, you will get to explore the great shores and nearby shops.
- Simons Town also happens to be home to Boulders Beach. Here you will visit 1 of the only 2 places in Africa where you can view "Africa Jack Ass" Penguins in their natural habitat. Open for pictures and explorations, who would not want to see the Penguins of Africa.

About Cape Point and Cape of Good Hope

- Cape point is found on the furthest mountain tip of the Cape Peninsula, a mountainous and scenic landform that runs north-south for about thirty kilometers at the extreme southwestern tip of the African continent in South Africa
- While at Cape Point its recommended that one takes a funicular or hike up to the Cape Point Lighthouse and enjoy some breath-taking views of the mountain range and Atlantic Ocean.
- There after we make a short trip not far from Cape Point to the CAPE OF GOOD HOPE: The most southern western point of the African Continent, the tip of Africa.
- While we are here, we will continue to explore the most beautiful scenery that is found in Cape Town. Nothing is quite like a visit to the Cape of Good Hope.

About Kirstenbosch Botanical Gardens

- Visit the Kirstenbosch Botanical Gardens the most beautiful Botanical Garden in Africa, lying at the eastern foot of Table Mountain. Enjoy strolling in the vast garden, climbing up the 12-meter-high and 130-meter-long Centenary Tree Canopy Walkaway, or just enjoy a late picnic with your loved ones.
