ABOUT THE BUSH BABIES AND ELEPHANT SANCTUARY TOUR

Hartbeespoort Dam Elephant Sanctuary provides a safe haven and “halfway house” for African Elephants. This sanctuary offers an engaging elephant and monkey experience. The elephants are trained and that makes them enjoy interacting with guests. Alongside the Elephant Sanctuary, there is a monkey Sanctuary also known as the Bush Baby's Sanctuary. This sanctuary provides an environment where the monkeys are given their freedom in a natural environment, and it is one of only eight free-release primate sanctuaries globally. Guests can experience different types of monkeys here, which are spider monkeys, squirrel monkeys, capuchin monkeys and lemur monkeys.
