Day 2: Victoria Falls Tour and Departure

Begin your day with the soothing sounds of nature and a delicious breakfast at your hotel, energizing you for the day's unforgettable adventure.

Victoria Falls Guided Tour

At 8:00 a.m., you'll be picked up for a guided exploration of one of the most awe-inspiring natural wonders in the world—Victoria Falls. Towering at an impressive 108 meters (354 feet), the falls are affectionately known as *Mosi-oa-Tunya*, or "The Smoke That Thunders," by the locals. This majestic waterfall, recognized as one of the Seven Natural Wonders of the World and a UNESCO World Heritage Site since 1989, straddles the border between Zimbabwe and Zambia. As you enter the Victoria Falls National Park, the thundering sound of water cascading down the cliffs welcomes you.

Your knowledgeable guide will lead you through a series of 17 viewpoints on the Zimbabwean side, each offering a unique perspective of the falls and its breathtaking power. From delicate sprays to the roaring torrent of water, each angle unveils a new aspect of this natural marvel. Along the way, your guide will share fascinating stories about the falls' history, including how they were discovered by the famous explorer David Livingstone. After immersing yourself in the beauty and history of Victoria Falls, you'll return to your hotel to freshen up and gather your belongings.

Return to Johannesburg

You'll be transferred to Victoria Falls Airport for your flight back to Johannesburg. Reflect on the incredible memories made over the past two days, from the serene Zambezi sunset cruise to the majestic Victoria Falls experience. This marks the end of your short but unforgettable 2-day adventure in Victoria Falls, leaving you with stories to share and memories to cherish.
