We will rise early in the morning for our morning safari and get ready to jump inside the park as earliest as possible to get a feel of what this wildlife does in the wee hours of the morning. This also serves us an opportunity to see what wildlife does in the morning and especially the cat family who are always hunting their next meal. Various creatures will be coming back from hunts, and this will be the perfect time to see them in action. We will also get an opportunity to have our pre -packed breakfast prepared from the hotel and experience the best 4 hours in the morning.
